## MEET YOUR TOWEL MATCH

# MEET YOUR TOWEL MATCH

Finding (and accessorizing) your perfect towel has never been easier. We've curated our bath towel assortment into four signature families—all designed to be around for years to come—along with coordinating accent towels to layer according to the season, your needs or your mood. For ideas on how to find and style your ideal towel, ask a sales consultant or visit [waterworks.com](http://waterworks.com).

Gotham

Clean and modern yet surprisingly enveloping. A Waterworks classic, it's made with long loops of Portuguese cotton and piped in the tradition of fine men's shirting for an elegant, polished look. White towels are stocked in 7 piping colors, and sold in 58 shades by special order; monogramming available.

Estrela

A timeless, traditional choice with a light, airy feel. Incredibly soft and high-quality, it's woven from 100% Portuguese long-staple cotton and zero-twist yarn, with an intricate dobby border modeled after vintage Charleston ironwork. Choose from 8 soft, spa-like shades; monogramming available.

Cumulus

Casual, everyday refinement. A plush cloud loomed from 100% Turkish cotton, Cumulus has a fluffy absorbent texture. Each towel is individually garment-dyed, in 8 saturated colors that—like your favorite weekend sweatshirt—get softer and better with age.

Perennial

Dense and soft, this is the kind of classic that's perfect for homes filled with activities and guests. Made of three-ply combed Turkish cotton, the ultra-absorbent weave stands up to daily washings and can be draped over a deck chair to dry. Featuring 8 shades, from neutral to bright.

# TOWELS & TEXTILES

Family	Primary Material	Method of Construction	Care and Cleaning Summary	Country of Origin
<b>Amalfi Beach Towel</b>	100% Cotton	Loom woven terry	For all washing machine styles, including top-load styles with agitator and front-load washers, towels should be washed on gentle or hand wash cycle with warm water. Heavy agitation during washing will potentially damage fibers. Do not use bleach or harsh detergents. Tumble dry on low, warm iron if needed. It is customary for towels to shed fibers in the form of lint during the first several cycles of washing and drying. To ensure maximum absorbency, towels should be washed and dried according to the above guidelines at least twice prior to use.	Italy
<b>Amalfi Terry Beach Tote</b>	100% Cotton	Cut and sewn from loom woven terry	Machine wash cold, do not bleach, tumble dry on low heat. Regular ironing, steam or dry may be performed at medium setting. Do not dry clean.	Italy

<b>Estrela</b>	100% Long staple cotton. Zero Twist yarn construction. 550 gsm	Loom woven	Due to the zero twist construction of these yarns, it is important to wash your Estrela towels before using to achieve full absorbency. It is also very important to not use a fabric softener as this will impede absorbency. If fabric softener has been used, simply wash the pieces to rinse out.	Portugal
<b>Fray</b>	50% Linen and 50% Cotton	Loom tufted	Machine wash cold with mild detergent. Do not bleach or use fabric softener. Tumble dry low	Portugal
<b>Gotham</b>	Woven from 100% long-staple cotton. 625 gsm	Loom woven terry with a hand applied binding	Wash prior to use. Machine wash warm on gentle cycle. Do not use bleach or softeners.
