WATERWORKS

THE COLLECTION: Foro

A mix of historical references, including finely etched vintage silver, come together in this twist on classical design - a wonderfully elegant formal statement.

FEATURES

- Metal Lever handle with pull down spray. Swivel spout.
- Spray is operated by a trigger to switch between aerated stream and jet spray. The trigger returns to stream when water is turned off and stays locked in spray without having to hold it closed. Sprayer face has rubber nozzles for easy cleaning.
- Features signature engraving detail
- Available to install Handle control on left or right side of spout. Handles tilts to open and swings to the left for hot and right for cold.
- Available in 1.75gpm (6.6 L /min)
