## THE COLLECTION: Saxby

Our Saxby collection is traditional but never outdated and evokes elegance in any room.

---

## FEATURES

- The Saxby is the most recognized form of a classic cast iron footed tub.
  - Manufactured in state of the art facilities using traditional methods.
  - Freestanding use requires SABT12 feet, sold separately.
  - The exterior of primed bathtubs must be finished with a high quality paint for freestanding installation.
-
