WATERWORKS

THE COLLECTION: Candide

The slender and streamlined curves of the Candide are accentuated as she stands on her molded base. Candide embodies the beauty of classic French boat tubs.

FEATURES

- Constructed of the finest cast iron with pure white enamel interior.
- Double ended and wider for added comfort and easy installation.
- Available with optional slip resistant bottom, a built in safety feature.
- The exterior of primed bathtubs must be finished with a high quality paint before installation.
- Due to the manual finishing process, burnished bathtubs will show variation in the amount of exterior finish distress.
