WATERWORKS

THE COLLECTION: Crystal

Comprehensive and universal, the classic design of Crystal is appropriate to partner with any line of fittings and fixtures from modern to traditional. The weight and quality of these handcrafted pieces is unsurpassed.

FEATURES

- Adjustable
 - Made from Brass
 - Crystal is appropriate to partner with any line of fittings and fixtures from modern to traditional. The adjustable tub rack has three separate compartments and anti-slip rubber coated ends.
 - Care and Cleaning: To clean the finish, wipe gently with a soft damp cloth and then with a soft dry towel. A mild soap solution can be used for daily cleaning.
 - Made in United Kingdom
-
