THE COLLECTION: Clothilde

Inspired by high-sloping, 19th-century French bathtubs and rendered on a grand scale, this copper design is lavish yet lends warmth and character to a bath. Handcrafted in Normandy, it elevates both classic and transitional spaces.

FEATURES

- Our tub is completely handmade using the artisan methods and tools as the original 19th century designs.
 - The Clothilde is lined with tin to protect the purity of the water.
 - No visible seams or soldering joints.
 - Double ended bathing vessel
