WATERWORKS

THE COLLECTION: Universal

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

FEATURES

- The design of the modern single hole kitchen mixer is a tall slender column with a functional rubber sleeved lever.
- Streamlined, clean and efficient, the scale is dynamic and the form modern and sophisticated.
- Features a tilt and turn handle operation with a swivel spout constructed of brass. Spray is constructed of stainless steel.
- Standard flow rate is 2.2gpm (8.3 L/min) and State of California requires a maximum of 1.8gpm(6.8 L/min). Also available in high efficiency flow options. Contact a sales associate for details.
