ESTB. 1978

WATERWORKS

THE COLLECTION: Regulator

A play on industrial controls from the early 1900s, when pride was lavished on parts. Translated to handcrafted, fittings project rugged beauty through powerful, detailed shapes.

FEATURES

- All of the shower controls are housed in their own decorative bodies.
 - Features a pull function handshower diverter, which can be installed with the handshower elbow on the right or left
 - Includes 6" metal rain head with easy clean rubber nozzles
 - Stocked in Nickel, Chrome and Unlacquered Brass
 - Standard flow rate is 2.5gpm (9.5 L/min). Also available in high efficient flow options. Contact your sales associate or call 1 (800) 899-6757 for details.
