## THE COLLECTION: Watt

Inspired by the countless shapes and colors of telephone pole insulator covers, the Watt collection features two styles of large scale boron molded glass shades in clear, amber or blue. The Watt II collection features a smaller scale molded glass shade available in clear. They are an original interpretation of a vintage form and available in sconces or pendants.

---

## FEATURES

- Shade and bulb are included
- Available in a pendant or sconce
- Boron molded glass comes in three colors and two shapes; plain and ribbed
- Nickel pendant features gray fabric cord and old bronze and unlacquered brass feature brown fabric cord
